B1

78. The cloning system of claim 21, wherein said first and second vectors are filamentous bacteriophage.

79. The expression vectors of claim 26, wherein said vectors are filamentous bacteriophage.

---

Remarks

This application is a continuation of 08/349,131, filed December 1, 1994. New claims 76-79 have been added. Support for the amendment can be found throughout the specification and particularly in the Examples. Accordingly, no new matter has been added and Applicant respectfully requests entry thereof.

Conclusion

In light of the foregoing amendments, Applicant believes that the claims are in condition for immediate allowance. The Examiner is invited to call the undersigned attorney at (619) 535-9001 if there are any issues to be resolved.

Respectfully submitted,

6.5.95
